How do I Log into the Bb-Admin Portal?

Blackboard Coordinators are provided a username and a password prior to their first access of the Bb-Admin Portal. This username and password are used each time the Coordinator logs in to the system. This is NOT the same as your Blackboard login and password.

To log in:

1. Visit : <http://bbadmin.wcpss.net/>
2. Type your provided username and password into the provided fields.

The screenshot shows a light blue login box titled "coordinator login". It contains two input fields: "username:" and "password:". Below the "password:" field is a "Login" button and a link that says "I forgot my password!".

3. Click the **Login** button.
