

### How do I Set Individual Point Values for Questions in Tests?

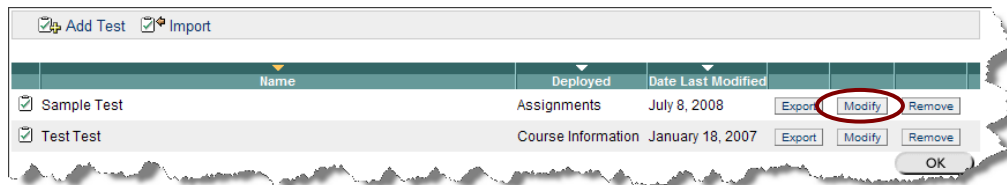

**NOTE:** Changes you make to point values in tests already taken by students will affect the scores for those students.

1. While in your Blackboard Course, click .

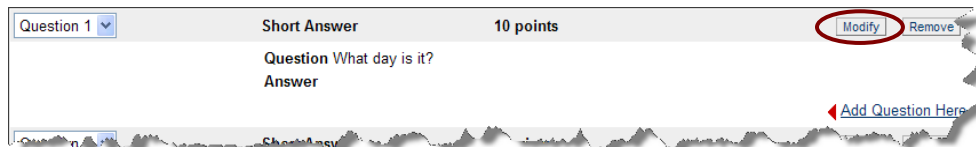

2. Click **Test Manager**.

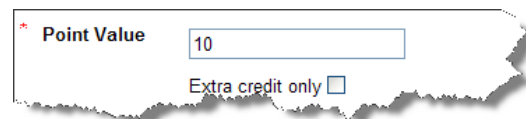

3. Click  by the test that you would like to alter.

4. Click  by the question for which you would like to set a point value.

5. Type in a new point value for the question.

6. Click .

7. Repeat steps 4-6 for each question that needs its point value altered.
