

### How do I Check My Blackboard Grades?

Blackboard users can check their grades in Blackboard by following the steps below.

1. While in your Blackboard Course, click **Course Tools**.

2. Click **My Grades**.

3. Click  when you are through reviewing your grades.

**Important:** Grades in Blackboard are only for those items that your teacher has graded and may not be your whole grade. Always talk to your teacher about questions regarding grade information in Blackboard.
